The Bone & Joint Journal

Submit your paper to
The Bone & Joint Journal

Why choose The Bone & Joint Journal (BJJ)?

- **No submission or publication fee**

From submission to publication, the entire process is completely free. We do have an open access option if you need to fulfil your funders requirements.

- **Ease of submission**

We appreciate that you chose BJJ to submit your work to and will always be transparent about the stages your paper is at in our submission process.

- **BJJ supports authors after publication**

If your paper is published, BJJ will ensure it is promoted to our global readership. We also support you to effectively promote your work to your peers.
