Expert Faculty

Ronnie Davies

Ronnie Davies qualified from the University of Cambridge medical school in 2006. He completed his orthopaedic training in Manchester, before undertaking a shoulder

& elbow surgery fellowship at the Robert Jones & Agnes Hunt Orthopaedic Hospital in Oswestry.

He treats all problems affecting the shoulder and elbow, including major trauma. He is interested in the use of technology to improve surgery, including surgical navigation and 3D printing. He has a research interest in postoperative rehabilitation and is running a trial relating to rotator cuff surgery rehabilitation.

He has a major interest in improving the teaching and training junior doctors. He is education lead for the North West T&O training programme.

Outside of medicine, he has a young family and enjoys playing squash and other racket sports, but only against people who let him win!

Fergal Monsell

Fergal Monsell has been a

Consultant Paediatric Orthopaedic surgeon at the Royal Hospital for Children Bristol since 2005. He is involved in education at all

levels, is Visiting Professor at Cardiff University and Director of the Avon Centre for Musculoskeletal Education. Has an active clinical research portfolio and is widely published.

Bill Ryan

Bill Ryan is an Orthopaedic Surgeon based in Bolton for over 20 years. He trained in Manchester and has a passionate interest in Medical Education. He was TPD in

Manchester between 2011 and 2016. He has been an examiner for the JCIE for over 10 years, and is now a liaison member on the SAC in T&O.

Hiro Tanaka

Hiro Tanaka is a BOA Council member and works at Aneurin Bevan University Health Board in South Wales. He is committed to training and education across all levels and was the prior Chairman of the Education and Revalidation Committee. He is currently Editor of JTO and co-directs the BOA Future Leaders Programme. He has been involved with the development of the educational portfolio for BOFAS for many years and is a council member as Honorary Treasurer.

Geraint Thomas

Geraint Thomas was appointed both as a Consultant Orthopaedic Surgeon at the Robert Jones & Agnes Hunt Orthopaedic Hospital and Senior Lecturer at Keele in

2019. He carried out his undergraduate training at University of Cambridge and University College London graduating in 2005. Following training rotations in Oxford and Bristol he undertook a DPhil on the role of hip shape in the development of osteoarthritis at the University of Oxford. He undertook Specialty training in Oxford with completion of the Fellowship of the Royal College of Surgeon (Trauma and Orthopaedics) in 2016.

He is fellowship trained in complex hip problems including both arthroplasty and hip preservation surgery undertaken at the Royal National Orthopaedic Hospital.

His main research interests include population health, orthopaedic epidemiology and young adult hip pathology. He was also the first British recipient of the John Charnley Award from the Hip Society of North America in 2014.

James Tomlinson

James is a Consultant Spinal Surgeon in Sheffield UK. He has a significant interest in surgical education and training and is Education TPD for Yorkshire & Humber

and Deputy Director of the Faculty of Surgical Trainers, RCSEd. He is a member of the NOTSS faculty has taught nationally and internationally on surgical non-technical skills and human factors.

Professor David Warwick

David Warwick is the current Chair of the BOA Medicolegal Committee and has been involved in medicolegal reporting for 23 years, with over 5000 PI reports and 450

Clinical Negligence reports. He is Immediate Past President of the BSSH and serves on the Editorial Board of the BJJ. He has been Consultant Hand Surgeon at University Hospital Southampton since 1998. He is also visiting Hand Surgeon to the States of Jersey and Bailiwick of Guernsey.

David holds a personal chair at the University of Southampton and a Bronze Clinical Excellence award. He has edited several books to include the recent Apley & Solomon's System of Orthopaedics & Trauma and the 2021 Concise edition.
