**We will be at the British Orthopaedic Association Congress,
21-24 September at P&J Live, The Event Complex in Aberdeen.**

Come and talk to us on Stand 11 at the Congress, where we will be exhibiting the Cios Spin®.

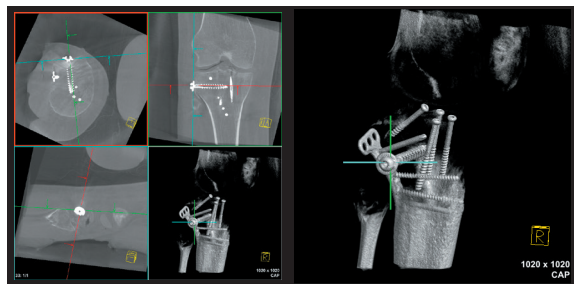

The Cios Spin provides a high level of **precision** and **accuracy** in interoperative 3D imaging, improving surgical outcomes.

The Isocentric C-arm offers a scan speed of **30 seconds** and provides efficient certainty and **precise 3D visualisation** in demanding cases.

Find out more and book an appointment with us at the Congress via the link or QR code.
