

Join our team!

18 Week Support is the largest NHS insourcing provider in the United Kingdom, supporting weekday and weekend activities in 12 specialties throughout England, Scotland and Wales.

By joining 18 Week Support you will be part of a highly driven, fun organisation, working in the NHS but supported by a large network of experienced clinical leads and transformation specialists. We continue to go from strength to strength as a company, and are now looking to expand our team as we support more Trusts with their backlogs than ever before.

We offer

*If applicable to your role

- Excellent rate of pay
- Flexible working around other commitments
- Travel and accommodation*
- Expenses covered*
- Assistance with setting up your limited company*

Apply today
